

# Masonic Care Tasmania Home Care

## Fees & Charges at July 2019

Live the life you want. Stay in your own home with assistance from our qualified and compassionate carers. At Masonic Care Tasmania, our home care service is designed to help you make the most of your life in your own home. Our carers will offer you support whenever, wherever and however you need it, so you can stay independent but still get assistance when you need it. We are Tasmanian owned, offer 24-hour phone support, have local experts and offices, employ state-wide staff. We have worked hard to ensure that our clients get the most benefit from their packages. Packages are developed closely with the care recipient to ensure they choose and receive the services that is important to them. Our Packages are designed by you to suit you as an individual. We have developed our pricing schedule to ensure you can make the most of your package. Our services are delivered 7 days per week 24 hrs per day, your service delivery will be planned with you in consultation with one of our experienced case managers.

### Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.

Masonic Care Tasmania recognises that our care participants are able to choose support staff or services from other agencies. In this instance there can be considerable time spent setting up these services from organising agreements, monitoring the standard of care from external agencies and other compliance activities. Where this occurs, there may be an additional fee for setting up and monitoring these services, e.g. a 10% charge of the initial cost. Please get in touch with us for more information.
